

It is
Halloween
time!

It is Halloween! I am so excited to put my costume on and go Trick or Treating!

First, I need to put on my costume!
Then I put on my shoes and mask. I can't forget my bucket!

Before I leave the house, I need to remember a few things...

I need to stay near an adult the whole time, keep my costume on and keep up the Halloween spirit!

When I get to someone's house, I need to... Knock on the door, **WAIT** for someone to open the door, say "**Trick or treat!!**", put candy in the bag and say, "**thank you!**"

And I do the same at the next house!
